

Beginning of a New Scholarly Journey in Education

Govt. College of Education
Sector 20 – D, Chandigarh.

We, The Principal and Editorial Board of ‘The Government College of Education, Chandigarh’, a premier institute of Teacher Education, are pleased to inform you that our College is going to bring out a new journal in Education ‘**The Educational Beacon**’ focusing especially on the current needs and trends. The academic journal will be the first publication which focuses purely on the important topics described by building the Educational Expression and simulation. The goal is to promote building research and application by utilizing various modeling approaches. There is a strong need worldwide to strengthen information exchange in this area. A dedicated journal will be an ideal vehicle to publish and disseminate relevant research findings. This Educational journal will be published annually.

There is a clear need for interdisciplinary research and a publication in the field of Education that brings together all the Educational researchers. We intend to focus on original research, which is only possible with your assistance. Therefore we request you earnestly to kindly send in your original and unpublished Research paper/ Articles. The article must be based on thorough research and will be evaluated by the Editorial board before publication.

The paper should include the name of the author, designation, title of the article/paper, abstract, name of affiliating Institution, mailing address, telephone numbers and email address along with a certificate of it being original and has not been sent anywhere else for publication.
